## January 2009

This is my first trestle board as Master of the Lodge. First I want to say thank you to everyone who helped to make the installation of lodge officers a success. Without the help of the brothers of the lodge and their ladies It could and would have been a lot different. Again my whole hearted thank you to all of you.

I am looking forward to a great year as a lodge. Two quick additions to our schedule this year. First in the spring we will be holding a Widows night and provide dinner for the widows of our brothers who have gained admission the the Celestial Lodge on high. Second; in September we will have a Past Masters night to honor those brothers who have previously lead Twin Peaks # 32 and thank them for the work they did in that capacity.

We will continue to try and expand the educational piece of our business meetings and will also continue to hold a Lodge of Instruction under the guidance of our Senior Warden. This Lodge of Instruction is not merely a time to practice our ritual, it is a time to ask questions about and understand the meaning behind what we do. Please come out to this Lodge and share your understanding with us.

I will continue to hold planning meetings on the second Monday @ 6:00 PM, prior to the Lodge of Instruction. I am requesting the attendance of all officers and am extending an invitation to all other brothers to attend. I realize this is around dinner time for some of us and you are all welcome to bring you meal to the meeting, Nope you do not need to bring enough to share, just enough for yourself.

Here's looking forward to a fantastic Masonic year.

Sincerely and Fraternaly,  
Richard "Ric" Wailes  
Worshipful Master, Twin Peaks Lodge #32

On December 13, 2008 nine (9) brave souls worked in Magna on the Habitat for Humanity' project braving the snowstorm that covered them with 6 inches of snow as they worked outside. Thank you brethren!

One of this year's goals is to re-connect with our brothers who have not attended Lodge in a while. Coming by during a practice is a great way to say hello and get re-oriented if you've been out long enough to feel uncomfortable. This is YOUR LODGE, and it beckons you.

Illumination from the South

Brothers,

I want the Holiday Season to be all you want it to be and that 2009 will be the best year ever for us all.

Let me thank you again for selecting me for such an important position in our lodge.

I will do my best to successfully fulfill my responsibilities as Junior Warden.

I hope that my time of serving my fellow brothers in Canyon Lodge Number 13 will enable us to jointly continue to seek for more light and learn more about the meaning and purpose of masonry. I have long been interested in the history of the Craft. I welcome any brother similarly inclined to discuss Masonry and the associated lore with me.

I am looking forward to working with Brothers Krause and Bennett, the Senior and Junior Stewards, to provide interesting and enjoyable refreshments at our meetings. (Also for the special events we will be holding in this coming year.)

I wish you all a very Merry Christmas and a Happy New Year.

Fraternally from the South,

Jerry

## January 2009

Hello, Bethel #16 is pretty great this month. I'm sad to say that we had our last night meeting on December 13<sup>th</sup>, which means the last meeting in Eliza Pratt's term. It was a sad, funny, interesting night; Eliza was presented her scrapbook made by our Sr. Princess (Latoshia Gipson) and her Quilt which the Jr. Princess (me!) made.

Well, Christmas is over and I hope Santa Claus stopped at your home, you were all good right? We had some fun activities in December like serving for the local Bus Drivers at the Riverton City Hall. It was fun to serve some of the people who help us kids get to school. We also got aprons, and in our case made the serving much more fun. As a bethel we also had a very fun Christmas party. We took Trax downtown, looked at all the lights, and drank hot chocolate at Beans & Brew. Also, we initiated a new girl into bethel 16! She is very fun to be with and we all love her dearly.

Since it's January, I hope you all know what time of year it is! Installation! Yay! Bethel #16's open installation ceremony is on January 2<sup>nd</sup> at 7 PM. We hope to see you all there; we will be installing girls into their stations. We are so close to a full bethel, it's very exciting! If you didn't know, here are the new line officers for 2009: Honored Queen-Latoshia Gipson, Sr. Princess-Evi Karpos, Jr. Princess-Tori Mudd, Guide-Lena Lagou, and Marshal-Sarah Wardrope.

Also, HAPPY NEW YEARS! From everyone part of bethel #16, we hope that your new year of 2009 will be a great for you! Because of the term ending, and getting installed into our new offices, this is my last letter to you all; I know, I know its very sad. But Tori Mudd our new Jr. Princess will take over and she will do a great job. Have a happy new year!

As a friendly reminder, our meetings are every 1<sup>st</sup> and 3<sup>rd</sup> Saturday of a month. The 1<sup>st</sup> is a morning meeting at 10:00am, and the 3<sup>rd</sup> is a night meeting at 7:00pm. We ALWAYS love to see sideliners; it gives us the opportunity to meet new people and also to get the chance to see the people who gave us the heritage to be in this wonderful organization. Hope to see you soon! If you know any girl between the ages of 10 and 20 who would be interested in joining Job's Daughters, please contact our Bethel Guardian, Joelle Whelan: 801- 272-2150.

Jobie Love,  
Evi Karpos, Jr. Princess
